# Arusha

This is where all of your planning becomes a reality: your safari starts now. Tanzania is such a wonderful country when it comes to wildlife and beautiful landscapes. After we greet you and answer any questions you might have, we'll take great pleasure in taking you out and showing you what we mean.

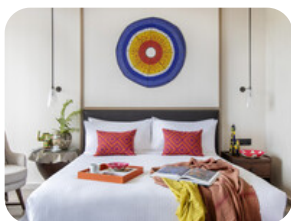

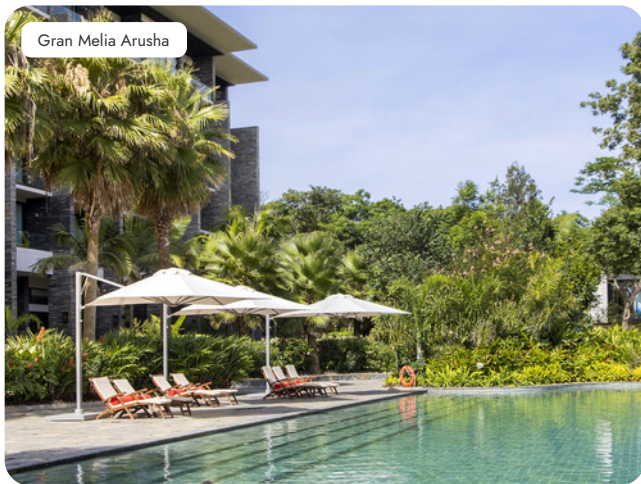

Busy Arusha is an essential part of safari life here in northern Tanzania and most travelers pass through at some stage. Whether you're on your way out on safari or here for a little longer, you'll catch a glimpse of streets filled with energy and color.

Accommodation | Day 1

**Gran Melia Arusha**

The best rooms at Gran Melia Arusha look out towards Mt Meru, one of northern Tanzania's most beautiful mountains. Enjoy rooms of the highest quality, with modern decor, and a good onsite restaurant. The spa and wellness center are ideal for some relaxation while you take a break from safari life. You're also close to the center of Arusha.

## Activity Day 1

- You will be transferred from the airport in **Kilimanjaro Airport**.
- You'll be dropped off at your hotel in one of our company vehicles.

# Tarangire National Park

Wherever you go in Tarangire National Park, you'll come across the park's famous and larger-than-life baobab trees and elephants. These are the twin elements that give this park so much personality. There is, of course, so much more. We don't just mean the huge populations of wildebeest, giraffes, hippos, buffaloes, baboons, vervet monkeys and zebras. Or the rugged landscape of rocky hills and rivers, swamps and savannah plains. You also have an excellent chance of seeing lions here – Tarangire is a real lion stronghold – and keep an eye out for leopards and cheetahs as well.

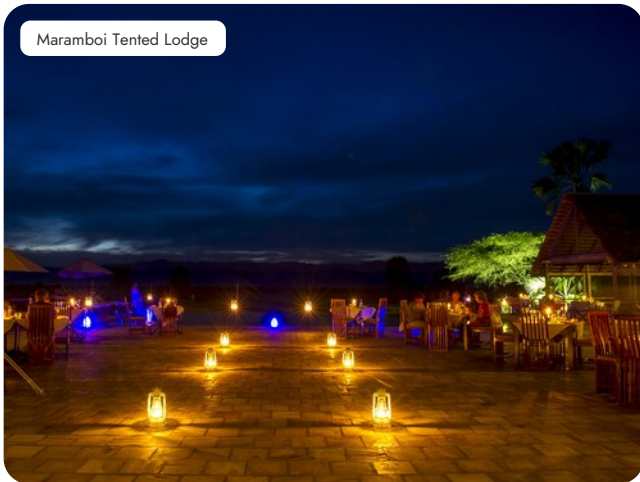

Accommodation | Day 2

## Maramboi Tented Lodge

You'll stay close to the shore of Lake Manyara at Maramboi Tented Camp, northeast of Tarangire National Park. Enjoy wildlife excitement, big-sky views and high levels of luxury, all without straying beyond the camp's perimeter. It's a good place to fall in love with the whole safari experience all over again, and, not surprisingly, Maramboi gets many repeat visitors.

# Ngorongoro Crater

Your first sight of Ngorongoro Crater is likely not one you'll easily forget. As seen from the crater rim, this natural bowl, both vast and intimate, is one of Africa's most beautiful natural features, stretching 19 green kilometers (12 miles) from one side to the other. Down in the crater itself, you'll explore an astonishingly rich, self-contained ecosystem that is protected by high crater walls. Here, lions and hyenas hunt wildebeest and Grant's gazelle within sight of elephants and black rhinos. Your day spent here will reveal a surprising variety of habitats, from the Lereal Forest and salty Lake Magadi to the plains that rise and fall gently all across the valley floor.

Accommodation | Day 3  
**Embalakai Camp**

At Embalakai Camp you're immersed in the wild Serengeti alongside a river and with savannah views stretching to the horizon. The wood-floored, canvas-walled safari tents are safe and secure, but you can watch and listen to the wildlife as it passes right by your tent. You can also enjoy your meal or a drink under the stars. The location is the ideal Serengeti base as it is deep in wildlife territory but away from the other camps and lodges.

## Activity Day 3

- Transfer by Road, **Maramboi Tented Lodge to Ngorongoro Crater**
- Your guided game drive down into and around **Ngorongoro Crater**, is one of the best safari experiences you can have in East Africa. Watch for lions, hyenas, black rhinos and more as you spend most of the day exploring the crater floor.

# Serengeti National Park

Welcome to the Unesco World Heritage-listed Serengeti, one of Africa's top safari destinations. While you're here, there's an excellent chance that you'll see leopards along the dry riverbanks, cheetahs out on the grasslands, and elephants, giraffes and all kinds of antelopes everywhere across the park. Watch also for the Serengeti's famous lion prides. And that's just the start. Some of the largest and most diverse wildlife populations on the planet roam the Serengeti, not to mention millions of wildebeest and zebras who migrate across the plains every year.

## Ngorongoro Highlands (Day 3)

Temperatures are lovely and cool in Ngorongoro Highlands, which is perfect for exploring the forests, and seeing the wildlife (elephant, buffalo and maybe even leopard) and views.

Accommodation | Day 4

**Kudu Lodge**

At Kudu Lodge you'll sleep well in the large, bright rooms, all of which have mosquito nets and private bathrooms. The location is conveniently close to the center of town which you can explore easily on foot, but the many trees and flower-filled gardens ensure that you'll be able to relax. There's a swimming pool and restaurant.

## Activity Day 4

- You'll get to know **Serengeti National Park** in the best possible way on a guided game drive. Led by an expert guide, you'll drive out across the park's famous savannahs to look for the incredible wildlife (big cats, elephants and more) that calls the park home.
- Come with us as we take you to your next destination, but we'll also go looking for wildlife along the way.

# Lake Manyara National Park

Lake Manyara National Park will allow you to tick off so many unique safari highlights, including many that you just won't find elsewhere. Unlike the elephants you'll see in other parks, Lake Manyara's inhabit dense forest — there's nothing quite like your experience of an elephant suddenly emerging from behind the nearest tree. Also, you're just as likely to see lions here draped along a branch high in a tree as down on the ground. And baboons. Lots of baboons. The views you'll see here, too, persist in your memory long after you've returned home, thanks to the combination of lake, forest and sheer cliffs, all within just a few kilometres.

Your Tanzanian safari draws to a close, and we're sure that you will have enjoyed it as much as we have.

## Activity Day 5

- Transfer by Road, **Marera Valley Lodge** to **Lake Manyara National Park**
- Join us for a guided game drive through the forests in Lake **Manyara**, where sightings of the park's elephants and tree-climbing lions are the main prize.
- We'll get you to the airport on time with our airport transfer.

## Meal Plan – Day 5

- Breakfast, Lunch & Dinner
