Day 1

Arusha

It's time to begin your safari. Welcome to Tanzania! After we greet you and provide you with the trip briefing, we'll take you out to help you discover why so many people think Tanzania is the best place in Africa to go on safari.

Busy Arusha is an essential part of safari life here in northern Tanzania and most travelers pass through at some stage. Whether you're on your way out on safari or here for a little longer, you'll catch a glimpse of streets filled with energy and color.

Tarangire National Park

We think you'll be impressed with Tarangire National Park. Most visitors love the distinct shapes of the baobab trees silhouetted against the sky that make this place feel like a fairy-tale African landscape. Or visitors remember the elephants that roam in family bands everywhere throughout the park. If you're lucky, you'll also encounter the big cats – lions especially, but also cheetahs and leopards – that are always a possibility here. And there's a fair degree of certainty that you will tick wildebeest, giraffe, hippo, buffalo and zebra off your wildlife-viewing list.

The friendly staff will make you feel at home from the moment you arrive.

Day 4 & 5

Serengeti National Park

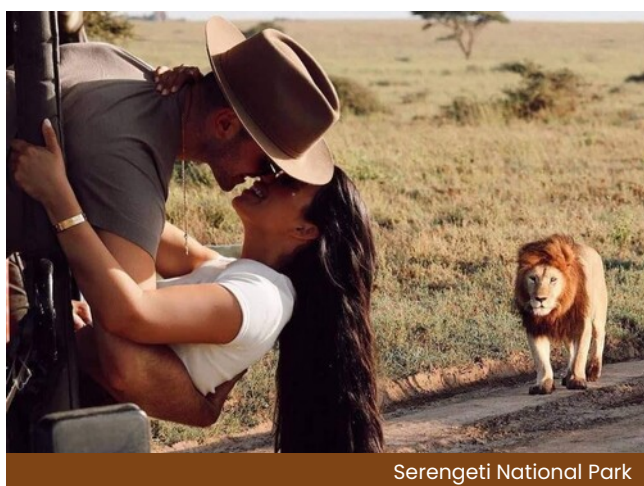

Discover just why so many safari visitors fall in love with the Serengeti. Keep an eye out for big cats, even bigger elephants, and almost every kind of safari wildlife you can imagine. You might also see giraffe, impala, zebra, wildebeest, buffalo, hundreds of species of birds, and that may all just be before breakfast. You'll never forget watching these animals interact, whether you see a hunt, a vast herd or a mother protecting her cub or calf. The Serengeti's scenery is also unforgettable – observe Africa's iconic acacia trees, the park's golden grasslands and great piles of boulders known as kopjes.

Ngorongoro Highlands (Day 4)

Enjoy cool temperatures, forest wildlife (including elephants, buffaloes and leopards), and fine views of craters and mountains when you visit the Ngorongoro Highlands.

Day 7

Lake Manyara National Park

Lake Manyara is one of the most underestimated national parks in Tanzania's northern safari circuit. Everything you'll see here is on a different scale, at once compact (this is one of the narrowest parks in Africa) and epic (the Rift Valley escarpment towers over Lake Manyara's western boundary). You'll see plenty of baboons and elephants in the park's thick evergreen forest, and watch for the tree-climbing lions that have become famous throughout Africa. Thanks to the proximity of lake, forest and rock walls, the birdlife will also tease out your inner birder – don't forget your binoculars.

Accommodation | Day 7

Melia Zanzibar

It's impossible not to relax at Melia Zanzibar, an excellent resort along Zanzibar's northeastern coast. Fine food is a feature here, as are the beautiful green grounds which are filled with palm trees. Large and attractive rooms, a long private beach, bar and a swimming pool are all part of its seductive charm.

Activity Day 7

- Come with us on a guided game drive through **Lake Manyara National Park**. The park is famous for its elephants and tree-climbing lions, and we hope you'll see both.
- Transfer by Road, **Lake Manyara National Park** to **Arusha Airport**

This was a major boat-building center where they once made the traditional wooden sailing boats called dhows. You can learn about turtle conservation while you're here.
